

Focus PI

Post-Injection Eye Drops

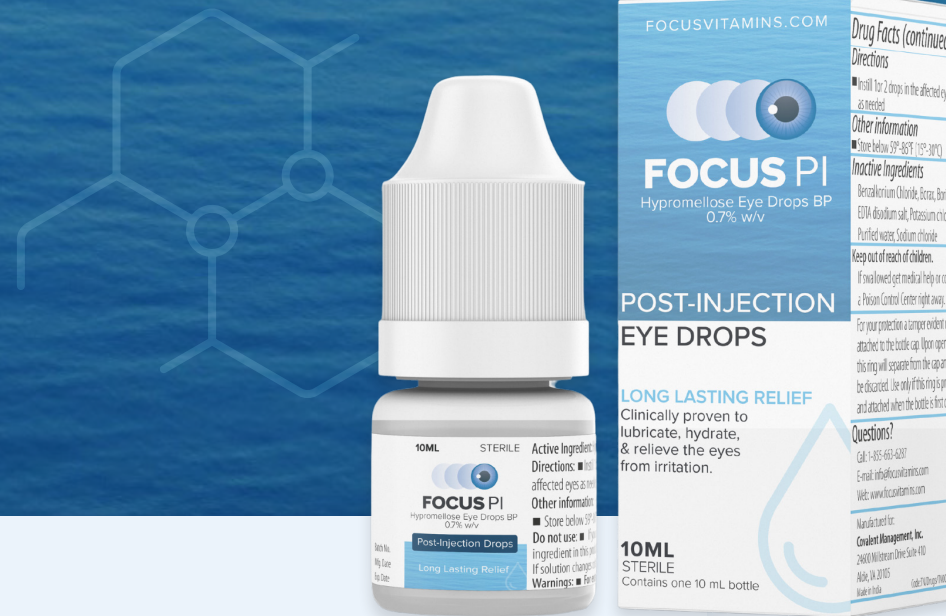

- + LONG LASTING RELIEF
- + FOCUS VITAMINS EXCLUSIVE

Clinically proven to lubricate, hydrate,
& relieve the eyes from irritation

Focus Vitamins has formulated Focus PI (Post-Injection) eye drops to help provide relief from irritation associated with eye injections.

As the first product of its kind, Focus PI helps soothe any eye discomfort you might experience including that which results from eye injections. Focus PI is a lubricating Hypromellose formula so is crucial in both the management of post-injection eye irritation and the management of dry eyes.
