

Focus Relief PLUS[®]

- + SUPPORTS HEALTHY TEARS & RETINAL HEALTH¹
- + 1620mg rTG FISH OIL per serving
- + 90% EPA & DHA

Omega-3 fatty acids and GLA for occasional dry eye and retinal health.*

NOW WITH rTG FISH OIL & GLA

OMEGA-3 FORMULA

ACTUAL SIZE

3 Softgels Per Day

30 Day Supply

Omega-3 fatty acid intake has been shown to play a critical role in helping produce healthier tears¹ and is recommended as part of an effective treatment plan for occasional dry eye.*

In a study published in JAMA Ophthalmology, Omega-3 fatty acid intake was also associated with a decreased risk of developing sight-threatening diabetic retinopathy for individuals with Type 2 Diabetes.²

Focus Relief Plus[®] provides **1620mg of re-esterified triglyceride (rTG) Omega-3 fatty acids per day with over 90% EPA and DHA**, a higher concentration than other leading supplements. It also contains 75mg of GLA, which when combined with EPA/DHA, can play an important role in reducing inflammation.³ All of this is provided in a compact and easy-to-swallow softgel.

HIGHER EPA & DHA

Concentrated levels allow for a compact pill and fewer doses

TRUSTED CHOICE

Made in an NSF-certified and cGMP-compliant factory, meeting the strictest safety standards

SUPPLEMENT FACTS

Daily Dosage: 3 Softgels

Amount Per Serving		%DV
Calories (energy)	30
